May 2021 Be Everything You Need It to Be

Most of us have spent the past nine months eagerly awaiting a new year - and with it, new hope. We all experienced 2020 differently - with frustration, joy, uncertainty, and perhaps heartbreak. The one thing 2020 was for everyone, though, was interesting. As we welcome a new year, the BWN board extends its warmest wishes to each and every one of you that 2021 is everything you need it to be.

Please keep in mind - whether what you need is an ear to listen, a personal trainer, a banker, a life coach, a specialist in marketing, products, or entrepreneurship; a doctor, a designer, a tutor, a new restaurant to support, a lawyer, a real estate agent, a place to volunteer your time, a friend, or practically anything else, BWN is the place to look first. Our community is warm, welcoming, and extremely supportive of one another. We could not ask for a better group of humans. Thank you and Happy New Year!

Wishing you Light, Love and Great Business in 2021,

Your BWN Board of Directors

Nonprofit of the Month

Grassroots is a multi-service crisis intervention center providing 24-hour crisis intervention services, emergency and transitional shelter, and community education. Grassroots supports individuals and families experiencing a personal, situational, mental health, or shelter crisis.

These days, carrying out that mission gets complicated. Today, providing various services requires more staff, more planning, more resources and more skill than ever before. That's why Grassroots is so grateful to all who support the work that we do.
