

Join us for our January Virtual Power Workshop: Intentionally Set and Reach your 2022 Business Goals

While 2021 was a challenging year for many of us, 2022 looks like it may have some challenges in store as well. Now is the time to prepare! Ready to set some real, definitive goals for your career and business while building a plan that will set you up for success? Ruth Lamberty of [Adult Prep](#) will share her expertise in an interactive workshop loaded with great takeaways. Learn the steps behind not only creating powerful, realistic goals, but actually achieving them. Once you register, you will receive an assignment and worksheets to make the most of your time in the workshop. Registrants will also receive a follow up accountability email.

Get ready to approach the new year intentionally with a clear blueprint for tackling your unique business goals for 2022!

Register friends and help them start the year on a positive note by virtually meeting the incredible members of BWN and learning how to set goals that will impact their businesses. This event will be held virtually. A zoom link will be sent to you after registration.
