

## June is a Special BWN Month

It's not only when we have the honor of awarding the **BWN Lifelong Learner Scholarships** (there are **eight** this year thanks to each of you), but we also present our **BWN Annual Boss Lady Awards** and recap our fantastic program year.

The main component to BWN's mission is to support women. What better way to do this than to help women reach their goals and celebrate them once they do?

Each BWN Scholarship recipient has demonstrated leadership and commitment in her community and has a unique story to tell. Join us to meet them, hear their stories and help support their continued growth.

[Read more](#) about the history of Lifelong Learner Scholarships and [support](#) the effort when you're able.

Don't miss the opportunity to celebrate what makes BWN special: network, connect with your community, applaud our scholarship recipients, and congratulate the winners of our Annual Boss Lady Awards!

**REGISTER TODAY** and take advantage of the Early Bird savings. Bring a friend and introduce them to the supportive environment at BWN. See you there!

A NOTE FROM THE BOARD: Last month's main event was a unique opportunity to share two hours with many of you, talking, learning and sharing. Though it was a subject that may be uncomfortable for some, DEI (Diversity, Equity and Inclusion), it was, and will continue to be, a vital conversation for our community, that BWN will continue to support, in all of its forms. THANK YOU for opening your hearts and joining us. We would like to hear from you. If you have something to share, celebrate, or discuss with us about this event or future like-events, please email incoming president, Ruth Lamberty, at [ruth@adulcorep.com](mailto:ruth@adulcorep.com). Likewise, please email her if you're interested in a follow-up event with our dynamic subject-matter expert, Kathonna Marrow. Thank you!

And a special thank you to Peter Watts for volunteering his time to come out and photograph this special event. You can view and download the photos [here](#). Outside of providing headshots, event coverage, and marketing (contact him for your events), Peter spends his time raising funds for cancer patients. This year he is leading a team event and recruiting other cyclists to join him. [Read More](#) about how to join or support his 500 mile campaign!
