

## Prepare to Spring Forward

The month of March is known for new beginnings. Prepare to spring forward and enjoy some sunshine and warm weather. With the second quarter quickly approaching, it's the perfect time to check in on your goals. For our lunch this month, we will put the networking skills we practiced in our February meeting to work for us. Our March meeting will allow participants to use their skills live and in-person.

Didn't make it to the February lunch? Don't panic. Our next email will include details about what you need to come prepared.

As always, we have other opportunities for members to connect at the coffee and happy hour events. And join the golf club for a special par-tee this month as well - everyone is welcome! Details and registration for upcoming events are below.
