

Level Up Your Networking!

Whether you're an employee, business owner, side hustler, or you just want to polish up your communications skills, learning new ways to network is a must. Our theme for this program year is back to business. With that in mind, join us for our February VIRTUAL lunch and level up your networking (this is part 1 of a 2 part series).

Why is this so important? When you're strategic about networking, you'll see a higher return on your investment of time. Make the most of your BWN membership and learn how to build connections that will make a difference for your life and career.

Mark your calendar now for these engaging February events:

1. Our virtual (**Bring Your Own Lunch**) event is February 15th at 11:30 am. This virtual lunch is just \$10 for members!
2. Don't miss the **Coffee meetup** on February 8th, hosted by Donna Weaver, and
3. The February **Happy Hour**, hosted by Jessamine Duvall and Elisha Aguilar, is on the 22nd. ***The theme is love yourself, wear your favorite red item (clothing, accessories, lipstick etc.) for a chance to win a door prize!***

Looking to deepen your connections and do some good? Join one of our committees and help BWN continue to flourish while expanding your network! Visit our [website](#) to learn more.
