

## Happy September!

Have you noticed how September always feels like a fresh start? Maybe it is because we used to start a new school year every September (who didn't love new school clothes, new school supplies and seeing old friends after the summer break?)

At BWN, we view September in the same way. We are starting fresh—new Board members, new programming for the year and, as always, a great opportunity to catch up with old and new friends as well as make new acquaintances. This month's lunch will be all about getting back to business as well as an exploration of new changes at BWN. Come prepared to hear some exciting details about future programs as well as network, network, network! Bring a friend and introduce them to BWN. Can't wait to see you September 21st at Turf Valley!

**REGISTER TODAY** and take advantage of the Early Bird savings. Bring a friend and introduce them to the supportive environment at BWN. See you there!

## Nonprofit of the Month

### Zaching Against Cancer Foundation

ZACF is affiliated with 21 hospitals providing direct patient services including prescription co-payments, medical bills, utility bills, rent payments and much more! During Zach's treatment's what stood out to him was seeing the same kids that he was in the Chemo Infusion Center with having to stand at the cold bus stop while he was getting in his parents warm car. Seeing people who struggled financially was one of the reasons Zach wanted to provide funds to help cancer patients with the little things that we often take for granted.

**What we can do:** When our cancer patients are in daily radiation for 6-8 weeks, gas or grocery store gift cards are most helpful.
