

June is Celebration Month!

Supporting women is the most important part of BWN's mission. What better way to do this than to help women reach their goals and celebrate them once they do?

June is the month when we have the honor of awarding the BWN Lifelong Learner Scholarships. We also present our BWN Boss Lady Awards to extraordinary members and recap our fantastic program year!

Each BWN Scholarship recipient has demonstrated leadership and commitment in her community and has a unique story to tell. Join us to meet them, hear their stories and help support their continued growth. The June lunch is always impactful, and remains a favorite of our members. We will also hear from BWN member and former scholarship recipient, Monique Washington-Jones of [Karate 4 Girls](#), Kimbly Boyd, a 2022 recipient, and Maureen Marshall, Associate Director of the Career Links Program at Howard County Community College. This year two of the recipients were selected by HCC.

Don't miss the opportunity to celebrate what makes BWN special: network, connect with your community, applaud our scholarship recipients, and applaud the winners of our Boss Lady Awards!

Connection through Cohorts

Looking to make the most of your BWN membership? Joining or creating a cohort is a great way for professionals in related industries to get to know one another outside of other events, and share ideas and resources. Each of BWN's three current cohorts is a little different with regard to frequency and format of meetings, but all provide an opportunity for members to meet in a purposeful way -- sharing ideas and resources, establishing referral partnerships, and offering insight and support. Cohort members have found great benefit in learning from the experiences of one another! Please reach out to one of the following individuals to learn more about joining an existing cohort: Advisory Services – [Sue Sollers](#); Serving the 50+ Community – [Andrea Bendig](#); Health & Wellness – [Jenn Gruber](#).

If you'd like to form connections with BWN members in an industry that's not yet represented by a cohort, please consider starting a new one! Anyone with a genuine interest in bringing together people who share a similar mission is encouraged to contact our Cohort Liaison, [Jenn Gruber](#), for more details and support. We welcome your involvement.

And don't forget, BWN has a golf club too! Jump over to the website and [sign up](#) for spring outings. There's room for everyone – from never-picked-up-a-club to expert!
